Attachment B

NON-RECURRING RATES FOR FISCAL YEAR 2005

EFFECTIVE OCTOBER 1, 2004

System 85

Charges will be on a "T&M" (Time and Materials) basis. The unit labor rate for telephone technician services will be \$19.50 per 1/4 hour, with a minimum of one hour (4 units, \$78.00) per service order. Material charges for service orders will apply when wire and/or jacks are placed.

Software charges for reprogramming of instruments will be \$13.00 per button change with a maximum of \$78.00 per instrument.

Labor and software charges will be charged for disconnect orders.

The order processing charges will be \$10.00 per order for fiscal year 2005.

Standard "T&M" charges will apply for maintenance visits resulting from customer caused problems, such as instruments unplugged, coffee spilled on instruments, etc.

DIT CENTREX

The cost of repairs, installation, and software changes on DIT Centrex lines will be passed on to the user at Ameritech rates.

Current SBC rates are:
